

# LEADERS IN CHINA CALLED TO CAPITAL

Stilwell and Chennault Arrive for Conferences.

By The Associated Press

WASHINGTON, April 30—The approach of the Chinese leaders to the capital, Peking, for conferences with the American military leaders in the China-Burma-India theater, Gen. Joseph W. Stilwell and Maj. Gen. Claire L. Chennault.

They were called home, Secretary Stimson indicated, in line with the war department policy of "periodic visits" by high ranking officers, long in the field, to the capital.

Asked if the Japanese had anything to do with their trip, he said:

"Can you look me straight in the eye and expect me to answer that?"

# U. S. View of Russia Grows More Favorable

**B. GEORGE GALLUP**  
Director, American Institute of Public Opinion

PRINCETON, N. J., April 26.—The breaking of diplomatic relations between the U. S. and the Soviet Union, and the fact that the U. S. has gradually developed a greater faith in Russia's intentions as compared to a year ago.

The American public has become more favorable toward Russia during the past year, according to a survey of public opinion completed just before the Polish-Russian battle, shows that in the 13 months since March, 1934, the proportion of Americans who think Russia can be trusted to cooperate with us after the war has increased.

Today a majority of those with opinions on the subject believe the Soviets will cooperate with us, whereas a year ago the country was evenly divided.

However, the effect of the new Polish-Russian crisis on American opinion remains to be determined. During recent weeks there have been no increase in the number of Americans who think that Russia can be trusted; indeed there has been a slight decrease.

The views of the public were sounded by the Institute on this question:

"Do you think Russia can be trusted to cooperate with us when the war is over?"

The same question has been put to the country in recent previous surveys.

Can the United States and Russia get along together in the post-war world? A Gallup Poll, illustrated above, shows the

sentiments of the country today

surveys, and the trend of sentiment follows:

	Yes	No	Undecided
Mar., 1932	38%	54%	22%
Feb., 1933	44	29	25
Today	44	34	22

It will be noted that among those with opinions in 1932 the division between "yes" and "no" was even, whereas today those with opinions rate 56 per cent that Russia can be trusted to cooperate.

The survey reveals the interesting fact that the more educated and well-to-do voters are the ones with the most favorable view of Russia's post-war role which the lower income group and the less well-educated are the most suspicious.

The attitudes by income groups are as follows:

	Yes	No	Undecided
Upper Income Group	53%	31%	16%
Middle	45	36	17
Lower	41	33	26

By geographical sections the survey found that the belief in Russia's willingness to cooperate is slightly lower in the South and in the East Central states (Ohio, Indiana, Illinois and Michigan) than in other sections. The sectional vote follows:

	Yes	No	Undecided
N. Eng. and M. Atl.	45%	33%	22%
E. Central	41	37	22
W. Central	48	34	18
South	39	33	28
Far West	45	37	18

## WMRN—MARION (1490 Kilocycles)

### FRIDAY

Night—6:05 Civilian Defense Calendar; 7:05 Rolling Rhythm; 7:15 Eye Witness News; 7:30 Treasury Department Star Parade; 8:30 Gilbert and Sullivan.

### SATURDAY

Day—9:05 Sermon Topics; 12 Friendly Farmer.

### SUNDAY

Day—8:45 Dorothy Stephenson; 9:30 Ave Maria Hour; 10:45 Emanuel Lutheran church; 12:30 Marion Entertainers; 1:30 Emanuel Baptist Church; 5 Old Fashioned Revival Hour.

Night—7 Lecture Recital Chorus; 8:15 Church of the Nazarene.

LOAD THE GUNS of the boys at the front with your waste kitchen fats. They make gunpowder. Save a tablespoonful a day!

## LaRue Senior Class To Give Play May 19

The LaRue Senior Class will be held Monday, May 19, with Mrs. Mable LaRue as the guest of honor. The play will be given at the LaRue Senior Center.

## DAILY FEATURES ON THE RADIO

All time given is Eastern War time.

Gen. George C. Kenney, commander of allied air forces in the South Pacific.

## GIRL SCOUT COOKIE SALE DATES FIXED

**Little House Fund Benefit Drive To Open Saturday.**

The annual Girl Scout cookie sale will begin Saturday and continue through May 31. Mrs. Eugene Young, district supervisor, has announced the plan for the sale of Girl Scout cookies for the purpose of purchasing a Little House of camp site.

The cookies, which have already attracted the interest of the Girl Scout troop and the same are always. They are assorted vanilla and chocolate. The price has been slightly advanced. No advance orders have been taken because the scouts have been rationed and are allowed only two-thirds of the amount of cookies sold last year. This year the girls will sell and deliver 2,000,000 cookies.

The girls will suggest that customers buy themselves in three boxes so that every customer may have some.

A National Girl Scout policy discourages girls from canvassing from door to door. Therefore girls are permitted to sell only to friends and relatives. Anyone not contacted may call the Girl Scout office.

The sale will be handled by members of the troop committees and leaders. The following represent the troops on the cookie sale committee: Miss Margaret McLean, Troop 1; Mrs. O. M. Reese, Troop 2; Mrs. Francis Ryan, Troop 3; Mrs. Charles Way, Troop 6; Mrs. Edwin Price, Troop 9; Mrs. Virginia Kean, Troop 14; Miss Edith Treat, Troop 15; Mrs. J. E. Frow, Troop 17; Mrs. O. C. Alspaugh, Troop 18; Miss Esther Eggleston, Troop 20; Mrs. B. L. Leeper, Troop 21; Mrs. Harold I. Abrams, Troop 23, and Mr. Kenneth Albert, Troop 25.

Council members on the cookie committee are: Mrs. Florence Young, chairman; Mrs. Ben T. Wiant; Mrs. Ray R. King; Mrs. Abe Scheen and Mrs. J. E. Ohlphant.

**BIRTHS**

Mr. and Mrs. Roland B. Snow of South Orange, N. J., are parents of a daughter, Carol Lora, born April 19, in Margaret Lora hospital at Jersey City, N. J. Mr. Snow is the son of Mr. and Mrs. B. J. Snow of 611 East Church street.

A daughter was born to Mr. and Mrs. John Heffley of near Marion in City hospital this morning.

A son was born this morning to Mr. and Mrs. Frank Welch of 143 Olney avenue in City hospital.

**OHIO FLIER INJURED**  
By The Associated Press  
SACRAMENTO, Calif., April 30.—Second Lieut. Ray Paul McLaughlin of Elyria, O., was injured in the crash of a B-25 bomber yesterday near the Sacramento river.

FRIDAY, APRIL 30, 1943

To win formal recognition for doing this has not, of course, been one of our purposes. But having received such recognition we are fully appreciative of the honor and will treasure it among the community's most prized records of distinction. We believe, however, that before the job of eliminating the Axis is completed, Marion county will perform service surpassing anything that has gone into the records thus far. In fact, we know such will have to be done, not only in Marion county, but in all other countries throughout America.

WPB has placed a seven-foot limit on blankets and we wouldn't call that imposing any considerable hardship. In fact, we're not so much concerned with the length of a blanket as we are with having some assurance that it won't slide off during nights when the temperature is eight or ten degrees below zero.

On June 5, 1942, President Roosevelt said the United States Government had received "authoritative reports" that Japanese forces were using poison gas in various localities of China. "I desire to make it unmistakably clear," he said, "that if Japan persists in this inhuman form of

this government as though  
against the United States,  
tallation in kind and

# Softball Rules Are Revised and Opening Game Set for May 17 by City Commission

Inaugural Game To Be at Lincoln Park with Added Attractions; Entry Deadline Is May 10.

Several rules revisions, formation of general policies for the coming season, team entry deadline, and the opening date of the regular season were decided at a meeting of the Marion softball commission at the Y.M.C.A. Thursday night.

May 17 was set for the opening game at Lincoln park. In addition to the game itself, the commission decided to have added attractions and ceremonies for the initial contest. City Recreation Director Vic Dorris, who was present at the meeting, announced his willingness to cooperate with the commission on the opening game program by obtaining several high school boys in his physical education classes for a pre-game show. The initial tilt this year will be free to the public.

Team entry deadline date was decided as May 10 by the commission. All Marion churches, business concerns, factories or other organizations desiring a team in one of the three city softball leagues this summer should notify Marion Meuchorter, commission secretary at the Y before May 10.

**Eligibility Change**  
Most notable rule revision voted upon by the commission concerns Sunday School league player eligibility. Any player attending a church that does not have a softball team may join the team of any other Sunday school, providing that he will abide by the eligibility rules of his new church and by the rules of the Sunday school league. This player must also have a certification for the entire season by his church superintendent. This rule is effective only for the 1938 season.

As an aid to the 1938 Marion softballers the commission decided that any player not belonging to an organized squad in the church league may register at the Y, expressing his desire to join a Sunday school aggregation. The individual player should list his church and preferable position. A meeting of Sabbath league managers will be held later to distribute the signed players among

the league teams. Other players wishing to play in the Commercial league should contact Meuchorter at the Y.

Another new rule to go into effect this summer has a patriotic angle. All servicemen who may return to the city on furlough or because of discharge, in addition to students and school teachers home for the summer, will be permitted to play on the same team they were with last year.

**Remove Source of Woe**  
A provision that will undoubtedly remove considerable dispute encountered in other years was enacted by the commissioners. After every league contest, Secretary Meuchorter will check the scorebook to determine the eligibility of every player. In former seasons, numerous protests contesting the eligibility of an opposing team member have been made by softball squads. By this new ruling, the commission can decide for itself with reasonable justice and accuracy such disputed cases.

The season schedule will be made out between the entry deadline of May 10 and opening date of May 17. The commission will hold a meeting on May 10 to formulate final plans for the season opening and to line up the entered teams.

The following men comprise the Marion softball commission: Elmer Shaw, president; Marion Meuchorter, secretary; Roy Waddell, treasurer; Myron Gibson, Marion Hinklin, Kenneth Fields, Robert Scott, Leo Keller, Robert Kelly, Ray Smallwood, Guy Stoner, and Harry (Hosey) Williams.

**Reds Play Service Nine**  
Before Clash with Cards  
By The Associated Press  
ST. LOUIS, April 30.—Cincinnati's Reds engage the soldiers of Lambert Field in a twilight exhibition today in preparation for their week-end series with the world champion St. Louis Cardinals.

The game is the first of a half dozen the Reds have booked with service teams. Vernon Stone and Bob Malloy are Cincinnati's pitchers.

Yesterday's 6-1 win over the Pirates in Pittsburgh gave the Reds two out of three and Johnny Vander Meer a record of allowing two runs and 12 hits in 29 innings. Johnny had the Pirates blanked on three hits until the ninth.

Bucky Walters and Morten Cooper are tomorrow's pitchers.

## PITCHING BRIGHTEST SPOT IN BIG LEAGUE PICTURE THIS YEAR

Vander Meer Easily Claims Title of Outstanding Hurler So Far.

By JUDSON BAILLY  
Associated Press Sports Writer  
Pitching has been the prize product of the major leagues this spring and outstanding performance have been piled one on top of another. But there would be no argument if the question were asked, "Who is the outstanding hurler to date?" The answer is Lefty John Vander Meer of the Cincinnati Reds.

The New Jersey Dutchman is slated for early induction into the armory of legends and seems determined to paint his farewell to the National League in figures that will be remembered.

He has come to the mound three times in eight days, pitched 29 innings, and allowed only two runs and 12 hits. He beat Mort Cooper of the St. Louis Cardinals 1-0 in eleven innings on opening day and four days later himself was defeated 1-0 by Howie Pollet of the Cards.

Yet he was back again yesterday with another effective effort, this time turning back the Pittsburgh Pirates 6-1 on six hits. He had a shutout till the ninth, when the Bucs finally lunched three blows for a run.

This triumph kept the Reds tied with the Cards for third place in the senior circuit as St. Louis slipped over a 4-3 12-inning conquest, of the Chicago Cubs. The world champions were beaten 3-1 by Rookie Eddie Hanyzewski going into the last half of the ninth, but came up with one of their familiar rallies to tie the score on a two-run pinch single by Conker Triplett. Then in the twelfth fray Sanders singled across the deciding run with his only hit of the game.

The Brooklyn Dodgers completed a sweep of their series with the Phillies on the gift of two unearned runs for a 4-3 victory. The Boston Braves vaulted into second place back of the Dodgers by beating the New York Giants 5-2 behind the six-hit hurling of Charley (Red) Barrett.

In the American league the New York Yankees were forced into 12 innings by the Boston Red Sox, but won 7-3 with a final four run blast.

The Washington Senators maintained their grasp on third place with a 5-1 decision over the Philadelphia Athletics. Bob Johnson batted in three runs against his former teammates.

In the other game of the day the Detroit Tigers were outbait but beat the St. Louis Browns 3-2.

## FOTO - FLASHBACKS

Jesse Owens' Record-Breaking Day

Associated Press Features

Track fans who were lucky enough to be at Ann Arbor, Mich., on May 25, 1935, will never forget Jesse Owens, the Ohio State flash, who broke three world records and equaled another one. The Buckeye made new marks by running the 220 in 20.3s, by leaping 26 feet 8 1/2 inches in the running broad jump, and taking the 220-yard low hurdles in 22.6s. He equaled the 100-yard dash record of 9.4s. In 1936 he went on to the Berlin Olympics where he was the 100 meters, 200 meters and broad jump champ.

## Here's Story of Wishing Ring — She Paid Biggest Odds in Mutuel History

By FRITZ HOWELL  
Ohio AP Sports Writer  
COLUMBUS, April 30 — With Derby day coming up tomorrow, we're washing out the usual Friday column of clipped quips, manufactured by Buckeye sports writers, to submit a horse-racing yarn.

Thus we give the pastepot and scissors a well-earned rest, and give the typewriter an index-finger workout.

With Count Fleet going to the post in Saturday's race for the roses as the shortest-odds mount ever to face the barrier in the Blue Grass classic, maybe you'll like this tale of the nag which paid the longest price ever returned through the mutuel windows. We hope so, anyway.

Back in 1915, "Regret" won the Derby—the only filly ever to hit the wire first in the big event. Our yarn is about a 1912 filly, and it has a bit of regret in it, too—although her name was "Wishing Ring."

Wishing Ring Was Maiden.  
Wishing Ring was a maiden, which means she had never won a race (the explanation is for those who had never had two bucks riding on a hay-burner).

Her owner needed some dental work one winter, and a Columbus real estate man took a Wishing Ring lien for a \$300 loan. The following spring, after some of his other stable stars had won a few heats, the owner paid back the \$300, but told the Columbus-ite he'd always have a share of the horse.

Finally Latonia opened, and Wishing Ring went along with the stable, still a maiden. One day the Columbus man received a wife.

It said: "I've found a spot for Wishing Ring. She can't lose. Better come down and bring some cash. We'll make a killing."

Off to Latonia went the Capital City man, a sucker for a hot tip, even as you and I. He had the \$300 in his pocket, and was ready to shoot the works.

The day of the big race dawned dark and dismal. Storm clouds hovered, but no rain fell. The owner, squinting at the sky, opined:

"Wishing Ring can't go except in the fast. If it's damp out there she'll quit. We won't bet until just before post time, and we won't

bet at all if it's raining."

When the bugle sounded, the clouds were darker than ever, and rain was expected any minute. The filly was saddled and the owner and his friend finally made their decision.

They told the jockey:

"We're not betting on this one, because she can't win if it starts to sprinkle. So just lay back in seventh or eighth place, and we'll try again when the weather's better."

Well Named Favorite.

Oddly enough, a horse named Wishing Ring was the favorite. The odds on Wishing Ring looked like a telephone number.

Came the cry "they're off!" and Wishing Ring was winging away in front. They neared the strein turn with Wishing Ring on the rail, and two others just outside him. Our heroine, Wishing Ring, was on the rail behind the "Jup," in fourth place. Then the sun broke through.

As they hit the turn Wishing Ring bore outward, carrying the other leaders with him. Wishing Ring, seeing the opening on the rail, took the bit in her teeth and started home. She hit the wire a good two lengths out front, and the mutuel board flashed the payoff—\$1,884 for \$2.

That's the longest payoff in history, made in 1912, and it still stands. The two guys "in the know" didn't have a dime on her gallant nose, but a bride from Chicago, spending her honeymoon in Kentucky, was among the winners.

She had never seen a horse race, she said, and knew nothing of picking 'em. How did she happen to plow down two bucks on Wishing Ring?

"Her name was so much like wedding ring, I just couldn't resist."

Best way to get maximum corn production is through greater use of hybrids, says the U. S. department of agriculture.

## Look Over Field for May 1 Running of Kentucky Derby

By SID FEDER  
Associated Press Sports Writer  
LOUISVILLE, Ky., April 30.—Twelve days before the "Run of the Road" Derby, and the "Run of the Road" Derby around here for weeks, but if this Saturday's race is a preview of the "Run of the Road" Derby, then there's plenty of action in Derbytown.

Which race is it?

For, going this 90th Kentucky Derby field a quick run-down, as the entry book opened this morning to settle the whole thing, you find the top two favorites and one of the choicest of the other day-stoppers troubled with foot aches and pains.

And this doesn't include Burnt Cork, the pride and joy of Rochester of the race, who has no aches and pains except that the colt apparently is troubled with the "blows." That's a fatal trouble, usually in the derby mile and a quarter.

But just take the top of the lot—Count Fleet. Twelve days ago he won the Wood memorial after being all but out down at the gate. Next there is Ocean Wave, second choice to the Count in the derby. He won the Blue Grass stakes nine days ago with a cracked heel. Then he waited in with the derby trial mile by nine lengths with the same ailment, only that time it was a little tougher to take.

Next, there is Slide Rule. He pulled up sore after a workout three weeks ago, but he's come out of it.

The betting is 1 to 5 around here the Wave is ready to roll when the band plays "My Old Kentucky Home" for the ten or a dozen colts and the 50,000 expected two buck bettors on Saturday. If he is, you're going to see some fun.

## Bowling

The Ladies' All Star and Universal Cooler loops finished their regular season bowling at the Marion Recreation Center Wednesday night.

Ludwick led the women rollers with high single game of 203. Other leading one-game marks were R. Hildreth with 179, P. Snyder with 173 and 175 and Grace Gunder with 177.

S. Hanovich racked up 228 pins for top single tally among the Universal Cooler bowlers. Hanovich rolled the sole 200 or better game with only four other maple spillers scoring better than 190. They were Lorne with 194, J. Zant 191, Penhallow 191, and Calmer 191.

The three-game series marks of each Ladies' All Star and Universal Cooler roller follow:

**LADIES' LEAGUE**  
Red Hildreth—Lorne 233, Barber 153, Koonen 179, Neville 105, Keller 153; Total 200.

Tankers—Kelly 153, Sans 191, Rudy 200; Total 172.

**TWO PITCHERS ILL**  
ST. LOUIS, April 29.—Suffering from influenza, pitchers Paul Derringer and Bill Lee, two of the mainstays of the Chicago Cubs' staff, are patients at St. John's hospital. Dr. Robert F. Hyland said both had high fevers.

## WHAT'S THE LOW-DOWN ON SLOW-DOWN DRIVING?

As a means of conserving vital rubber supplies, there is no question about the wisdom of moves to slow down the country's automobiles. Speed is one of the worst enemies of tires, and reducing the average driving speed can greatly extend tire life.

At the same time, this makes it necessary for the car owner to look into the effect of changed driving habits on the rest of his car.

With cars running at much lower speeds, spark plugs may be affected. Soft carbon, that normally might be burned off in bursts of speed, may gather to foul plugs and waste gasoline.

When you remember that one bad plug can cut gas mileage as much as 10%, you see what the total effect of many other such "little" things can be.

The fact is that slow-down driving may require an entirely different kind of servicing program. It is a good thing to talk to an expert on the subject and readjust peacetime habits and ideas to the new needs imposed by wartime. Come in today and talk it over.

# Pitfalls of Love

By ADELE GARRISON

"NO, I WON'T!" I said to my father, "but I'll marry!" "Good!" he answered, "good-bye," and hung up. Then I turned, to find myself alone in the room, for Gus never will stay near anyone who is telephoning unless commanded to. "Gus!" I called, and he came back on the run. "Please get Watson!" I said, "and tell him my father wants me to marry him in about an hour!"

"Okay," Gus said. "I'll come back and get you in about an hour!"

When I went back into the room, where I had left Gus to get my things, he looked at me strangely but offered no comment, and I hastily explained.

"Father wants me to come back to the hotel as soon as I can," I said.

"I heard you tell Gus," he said, "then let leave the darn hotel back his feelings."

**Bickert Grateful**

"Dear girl," he said, laying his hand affectionately on my shoulder, "don't think I'm ungrateful for what you've done for me, but against my own stubbornness, if you could only know how I've loved you just a glimpse of Katherine! Will you tell her that from Heaven?" asked extravagantly, and kissed him.

"Gus," he said, "I'm busy with Gus on that heard and whippers the party I get out of here," I commanded. "I haven't the slightest idea when I can bring Katherine down; that's all in Father's hands. But I'll manage it as soon as possible, so."

## YOUR HEALTH

### Fight on Cancer

During the last month so far, no women soldiers are concerned, there were not only the WAACS and the WAVES and the Lady Marines, but also the Women's Field Army in the fight against cancer.

The most important weapon in this fight is education. Some women are preponderantly afflicted, almost exclusively afflicted in breast cancer and exclusively afflicted in womb cancer. It is fitting that a woman's field army should go into action.

"With your aid we shall be victorious" was the slogan of the campaign.

This slogan marks a change in our philosophy about the cancer problem. Until recently the medical field knew comparatively little about the causes and cure of cancer. Because of this fact, the public gradually adopted the attitude that cancer was a completely hopeless disease.

We were in the position of facing a frightened public that said in effect, "Why don't you do something about this horrible situation that is causing 160,000 deaths annually and making cancer the second highest cause of death in the country?"

Today that situation really has changed to a surprising degree. Our fund of knowledge about all phases of cancer has been vastly increased. Laboratory workers have learned a number of things that cause cancer. Daring surgeons have devised successful new methods of attacking certain types of cancer previously considered incurable. Radiologists have made marked advances.

Education of the public, carried on consistently since 1936 by the Women's Field Army, has made cancer an acceptable subject of conversation. Until recently it was a topic politely ignored. Today it is commonly discussed and is handled frankly by the press, magazines and radio as a matter of vital interest to everyone.

So in their seventh annual campaign the American Association for the Control of Cancer can say to the public in effect, "We have acted on your demand that further advances be made against cancer. Such advances have been made all along the line by surgeons, radiologists and research workers, and further advances may be looked for."

### Three Methods of Eradicating

The only three methods which have been found valuable in eradicating cancer are: First, early diagnosis by submission of suspected tissue to microscopic examination; second, early surgery; and third, the X-ray and radium. Up to the present time any attempts to effect a cure by the use of hormones or serum are in the experimental stage and their use often causes fatal delay.

Anyone who faces the realities of life squarely, and does not try to thrust ugly facts into the background of his mind, stands a good chance of never having a malignant cancer. It affects preponderantly people over the age of forty. The skin is the organ most frequently affected. That is, it is on the surface where you can see it early. The breast, the digestive tract, and the womb are next in frequency. Recognize and treat it early. Don't waste time on scrums and other measures which have no value.

### QUESTIONS AND ANSWERS

**N.H.R.**—What is the proper treatment of an umbilical hernia? Is surgery the only permanent cure?

**Answer:** Yes. Injection treatments which are used in other hernias are dangerous in this form.

**J.G.R.**—I would like to know what is labyrinthitis and how it affects one suffering from it. Is the effect any different on water than on land? What is the cure for it?

**Answer:** Labyrinthitis is an inflammation or irritation of the equilibrium apparatus of the ear. It is the thing that gets out of whack during seasickness, so it is decidedly worse on water than on land. The labyrinthitis that occurs in middle age, with chronic deafness, is manifested by dizziness and nausea. It should be treated by an ear specialist.

## Marysville Woman's Tresses Go to War

Special to The Star

MARYSVILLE, April 10 — When it comes to contribution of human hair used for manufacture of military instruments of war, Mary Robinson of this city is one of the best. According to reports of the Bendix Aylmer Corp. of Baltimore, Md., she has donated 31 pounds of hair which measured 31 inches in length. The requirement was that it be at least 15 inches in length, blond, untouched by chemicals or mechanical devices. An average of about \$250 per pound is paid for the hair and is donated to the U. S. O. or Red Cross fund. Mrs. Robinson had her hair bobbed 26 years ago and had saved the tresses.

## Forest Couple Wed in Van Wert Ceremony

Special to The Star

FOREST—Mr. and Mrs. Edward Anderson of Forest are announcing the marriage of their daughter, Mary Margaret, to Donald Miller, son of Mr. and Mrs. James Miller also of Forest.

The ceremony was performed Sunday in the parsonage of the Church of Christ at Van Wert, O., by the Rev. L. C. Davis.

Attendants of the couple were: Miss Wilma Jean Gatz of Kenton;

## Blondie

A wedding dinner was held in the home of the bride's parents for members of the bridal party, immediate relatives and a few friends.

They will reside on a farm west of Forest. Mrs. Miller graduated from Forest high school in 1941 and Mr. Miller was a graduate of 1934.

## Nevada Superintendent Is Honored at Party

NEVADA—Supt. H. A. Kuenzi, who has served Nevada since he became an Army cadet at West Point, was given a farewell surprise party Tuesday at the school by students and faculty. Games were in charge of Mrs. Marjorie Lawrence, Eunice Kinsing and Grace Welch. A four-man pen was presented Mr. Kuenzi. About 60 students and Miss Anna Mae Postle, Kathleen Loefer, Mrs. Lawrence, Edwin Steinhart, Supt. DeGood, Mr. and Mrs. Kuenzi and children Nancy Ann and Jimmy were present.

Those attending the Pythian Sister Inspection at Sycamore from the Nevada chapter Tuesday were Mrs. Doris Belle Blair, Louise Scott, Edith Wyse, Thelma Rinehart, Blanche Bailey, Elva Bailey, Julie Klinger, Mary Baugher, Fern Lawrence, Marquette Norris, Clara Heinlen, Irene Farquhar and Agnes Sawyer.
